The spirit of the season glows in the annual Tree of Love, a fundraising project for Genesis Cancer Services and Genesis Hospice & Palliative Care.

This year our tree lighting ceremony is being held the week **before** Thanksgiving to get everyone in the holiday spirit. The bulbs on the large Tree of Love in front of Genesis-Bethesda and the individual trees on both campuses will light simultaneously during the ceremony, which is free and open to the public. There will be holiday music and entertainment during the event, and afterward, everyone is invited to the meeting rooms at Genesis-Bethesda for refreshments and visits with Santa.

Your support of this fundraiser will help Genesis provide compassionate, quality health care to our cancer patients and hospice patients.
