## NOW ACCEPTING NOMINATIONS

The Genesis Community Service Award is given each year to someone who has significantly contributed to our community through voluntary service – someone like Carol Kohler, the 2009 recipient pictured above. The nominee doesn't need ties to Genesis but should exemplify the Genesis values of compassion, trust, innovation and excellence.

If you know someone who volunteers to help others in our community, nominate him or her by completing this form, along with an outline of the nominee's community involvement, by Monday, Aug. 2. The award will be presented in October.
