

EMERGENCY DEPARTMENT & TRAUMA AT A GLANCE

AMERICAN COLLEGE OF SURGEONS
Verified Trauma Center

Head-on Collisions, Motorcycle and ATV Accidents

We are a **Level III Trauma Center**. We have the immediate availability of specialized staff, equipment and services to treat severe and critical injuries.

Medical Attention in Minutes

Within **19 minutes** of arrival at the ED, patients will see a physician, nurse practitioner or physician assistant.

Shorter Wait Times

Genesis averages **161 minutes** for a visit to the ED, while the national average is 215 minutes.

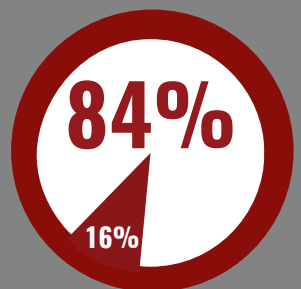

Quick Scan Results for Stroke

Stroke patients receive brain scan results **100% of the time within 45 minutes** of arrival. The national average is only 70%.

Trauma Patients Stay Close to Home

84% of trauma patients treated at Genesis did not need to go elsewhere for medical care.

Stopping Your Heart Attack ... FAST

Before you arrive at our ED by ambulance, our ED doctors and cardiac team have already determined a plan to stop your heart attack.

High Volume, High Expertise

Genesis averages **195 patients each day** in our ED - which equals more than 72,000 ED patients each year - making it one of the busiest Level III Trauma Centers in Ohio.
