<a href="#">Validate</a>	Jody	Roach	IV Start Peripheral CLINICAL 5M
<a href="#">Validate</a>	Katey	Khune	IV Start Peripheral CLINICAL 5M

Click on the Validate Competency link to the left of the name of the person you have validated. This will open a screen where you can validate each "skill" or step of the competency.

To validate each skill in the competency, click on the down arrow of the selection box under the Validate column. Select either: Valid; Unacceptable; N/A with comments.

To validate all of the skills, click on either Valid; Unacceptable; N/A with comments in the “**Mark All Skills**” section.

Skill	Validate	Comments (Remediation if unsuccessful)	Signature
IV Start 1 -Verifies patient's identity by using two patient identifiers. Assists patient to comfortable sitting or supine position	Valid Unacceptable N/A with Comments		
IV Start 2 -Performs hand hygiene and assembles equipment			
IV Start 3 - Identifies and selects appropriate vein. Selects site and dilates vein. Places tourniquet 5-7 inches above site.			
IV Start 4 -Dons gloves and cleanses site with appropriate cleanser and technique.			
IV Start 5 -Numbs site using either topical spray or intradermal method as appropriate			

When all of the skills have been validated, click on the **Save Validation** button at the bottom of the list of skills.

If the staff member does not perform at the expected level, mark the skill as “unacceptable” and include the remediation steps taken in the comment section. The competency will remain on their competency list.

To sign out of NetCompetency, click the Logout link  in the upper right corner of the screen.
