

# Genesis HealthCare Foundation

The Genesis HealthCare Foundation helps Genesis HealthCare System provide compassionate, quality healthcare by overseeing gifts, grants and donations.

## \$65 million in life-saving projects

Since its inception in 1999 through the merger of the Bethesda Hospital Foundation and the Good Samaritan Medical Center Foundation, the Genesis HealthCare Foundation has provided over \$65 million in financial support to the community through life-saving projects and programs at Genesis HealthCare System.

Investment	Results	Outcome	Impact
Hospice Charity Care	\$684,000	Provision of end-of-life comfort care to patients with limited financial means	136 patients
Scholarships	\$250,000	Financial support for local students pursuing degrees in healthcare	300 students
Providence Fund	\$70,000	Aid to patients and employees experiencing critical financial hardships (death, illness, natural disasters, job loss)	240 people
New Genesis Hospital	\$18,000,000	Construction of state-of-the-art hospital to serve the community	15,000+ inpatients annually
"Smart" IV pumps	\$2,500,000	Programmable to meet each patient's specific care needs	150,000 patients over 10 years
Spect CT Scanner	\$2,000,000	Better images for diagnosis, faster scans and reduced costs	1,700 patients and counting

Additionally, the Foundation oversees over 100 restricted funds, each with a unique purpose of supporting the specific healthcare needs of our community.

## Examples include:

- **Charity Care** – funding for patients who cannot afford medical care
- **Behavioral Health** – clothing and toiletries for kids receiving in-patient mental healthcare
- **Cancer Medication** – critical medications for cancer patients with limited financial means
- **Prosthetics** – provides wigs and breast prosthetics to women undergoing cancer treatment
- **Blanket Fund** – Good Samaritan Nursing Alumni campaign to provide warm blankets in the winter to our community's neediest citizens
