

2025 Patient Price Information List

In compliance with state law, Genesis Healthcare System is providing this price list containing our charges for room and board, emergency department, operating room, delivery, physical therapy and other procedures. The hospital's charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or underinsured patients should consult with our admitting and billing staff to determine whether they qualify for discounts. These prices are correct as of 1/1/2025

Hospital Billing Policies

Genesis HealthCare submits bills on behalf of the patient to the insurance based on information provided by the patient. Co-payments and deductibles, if applicable, are billed to the patient based on the explanation of benefits received from the insurance company or government payer. Genesis does not charge interest on balances remaining after the insurance payment. Charges for anesthesiologists, radiologists, pathologists, and emergency room physicians are not included in the hospital charges submitted to the insurance. Any questions regarding these charges should be directed to the specific office or company.
