# Now Accepting Nominations

The **Genesis Community Service Award** is given each year to someone who has significantly contributed to our community through voluntary service – someone like Shirley McCollister, the 2015 recipient pictured above. The nominee doesn't need ties to Genesis but should demonstrate the Genesis values of compassion, trust, innovation and excellence.

If you know someone who volunteers to help others in our community, nominate him or her by completing this form, along with a page description of the nominee's community involvement, by Monday, Aug. 1. The award will be presented in October.

*Please attach a page description of the nominee's community involvement.*
